Agent [for] Crown Lands
1893-1894

Honolulu, Mar 29/94

Wm. H. Mason
Manager, Kona Office
& Coast Co.
Olaa

Dear Sir

Your esteemed favor of the 14th inst. is at hand & contents noted. I much appreciate your kind offer to furnish such information as may be required in the Olaa. As Mr. Baldwin has, however, given me all the necessary information I need not further trouble you in the matter.

My agent in speaking to Mr. Rycroft while he was here last, was only to obtain a few figures which I desired to include in my report to the Comm. relative to the Olaa lands. I suggested to him though that I would be pleased to receive any suggestions that you & others at Olaa may wish to make in regard to the working of the present

system. with a view of embodying the
 same if found expedient, in my report.
 Important changes in our land
 system are now being contemplated
 and I have no doubt that before
 very long a more satisfactory system
 will be adopted, similar to that
 now in use in New Zealand and the
 Australian Colonies.

Thanking you again for
 your kind offer I beg to remain
 Very sincerely Yours.

I have of this at least at hand,
 enclosing copy of letter to Mr. West.

I wrote Mr. West, last week
 to obtain if possible certain information
 regarding the cost and value of improve-
 ments made at Puntapra, so as to
 enable me to make a report of the
 same to the Government in my annual
 Return of Canal Land. Action of the
 settlement is agricultural purposes during
 the last year under March 30th 1884.

In requesting him to do
 so, I suggested in my letter that he
 consult with you and obtain your opinion
 in making up a report, as I know that
 you would be of great service to him
 in preparing such information as is required.
 This is all I request of Mr. West.

Yours truly,
 John C. Smith

In the matter of the forwarding
application for a portion of the Brea lot,
I was unable to give him a letter at

with account of the rent for
such time as a Law can be obtained

I shall be much obliged if
you can send me by this place, some
reference for the present matter so as
to enable me to make a statement
promptly. I send you with this
some reference to pay up her rent, at
least the rental due for the past year

Dear Sir:

Your esteemed favor of the 10th is at hand and their several enclosures, as at hand and I have to thank you for the valuable information they contain. The returns of the blue lands now under lease are very satisfactory.

In comparing notes, a little discrepancy occurs in the total area now under lease. My statement shows a total area situated of 11,632.⁰⁰ ^{acres} not including Lease Nos 94 & 95. Being 307.36 acres more than you report. I can account for 100 acres (about) in the Arroyo surrounds of St. 19. but my record does not show the remaining 207 acres. I have therefore decided to send the tables I have prepared so that you can check them over and discover if possible, where the discrepancy occurs.

As you will no doubt be able to give
me all the information I require, I will
not trouble Mr Mason any more perhaps
than to give me his own personal views
there and any suggestions he may wish
to make with reference to the above.

In your next letter or report,
make mention of the approximate ~~amount~~
of land which can be made available
for agricultural purposes by the opening
of new roads or cross-roads. Also give
me the approximate area of Kauri as
near as you can, and if you have been
ascertain of the Waikanae Mill Co the area
of available cane land in Waikanae, and
the amount now ^{actually} under cultivation. I
require these additional facts in making
up a statement of the estimated value of
the Crown Lands in the district.

Respectfully Yours
C. J. Sandby
